PARK TREE CHAMPION

Over the years, the Ash Trees at Tweed Memorial Park have suffered severe damage from the Emerald Ash Borer. To prevent further spread of this destructive pest and address safety concerns for our residents and visitors, the removal of 55 Ash Trees is necessary. Replacing the trees that we're removing is imperative, which is why we're launching the Park Tree Champion Initiative. Healthy trees play a crucial role in our environment, enhancing its beauty and connecting our community with nature.

If you'd like to get involved, you can support our initiative by purchasing a tree for \$200. You will receive a charitable tax receipt and have your name displayed on the Park Tree Champion Sign at the park. Additionally, you'll be invited to take part in a community tree planting event scheduled for May.

ANNUAL TRASH BASH

The Kiwanis Trash Bash will take place **Saturday, April 20** commencing at 8:30 a.m. at the Kiwanis Pavilion.

The Municipality would like to remind residents and visitors to consider the environment, and please do not litter throughout the year.

FIRE HYDRANT FLUSHING PROGRAM

Regular semi-annual fire hydrant flushing will occur April 8-12 (Victoria St. and West) & April 15-19 (East of Victoria St.) in the Village limits.
